"An animal's eyes have the power to speak a great language."

Hello everyone

The members of NSS of Sri Bhagawan Mahaveer Jain Evening College have conducted an event of feeding animals at Nandini Goushala, Banashankari on 31st May 2022, Tuesday at 5:30 pm.

We fed grass to cows .

The bravery of Mr. N.L.Poddar can be visualized by his great works encouraging humanity. N.L.Poddar, an identity in himself has founded Nandini Goshala which is heavenly place for cows. This center aims at complete safety of animals by using different modern and traditional methods. It's a new beginning, by a great person to enlighten the people regarding vegetarianism & ahimsa

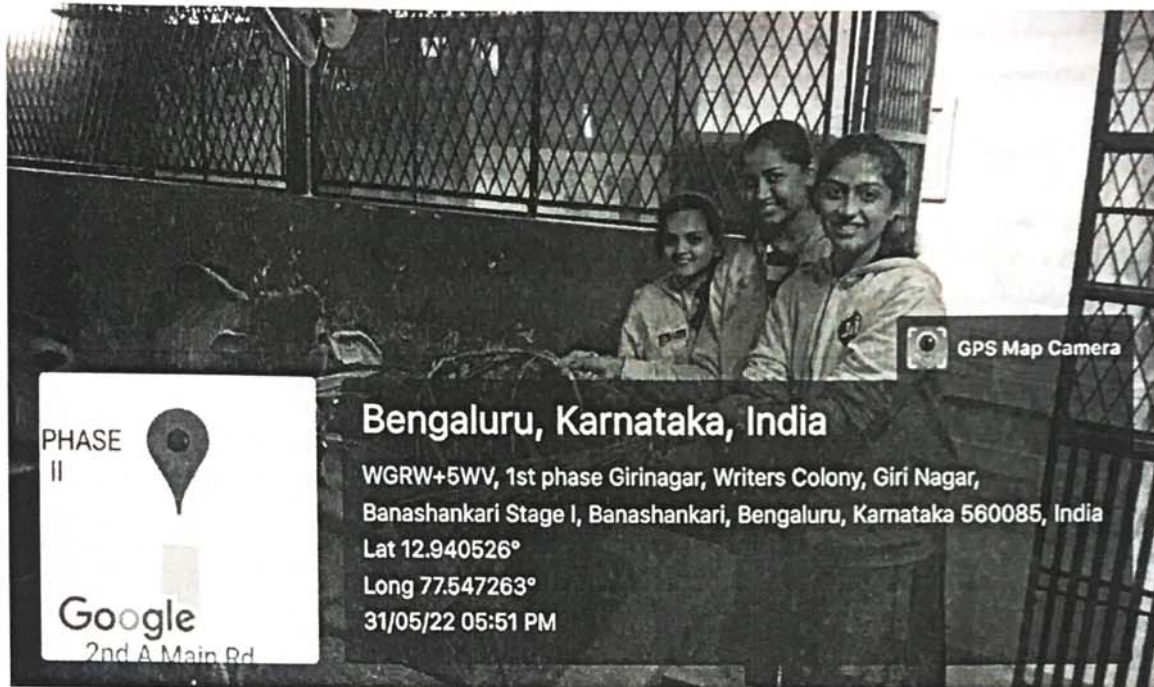

We stayed there for 2 days and explored the place. It was an amazing experience. There we also visited lord shri Ram's temple .

It's been so great, glad, grateful and blessed feeding cows.

We thank our teachers for supporting, motivating and encouraging and making this event possible.
