AMATEUR ASTRONOMY PROGRAMME

DC CORRESPONDENT
BENGALURU, DEC. 24

Sheraton's Astronomy Club and Bangalore Astronomical Society are organising 'The Grand Star Party' on December 31 January 1 at Jain Global Campus, Jakkasandra Post, Kanakapura. Participants will get a chance to study the celestial objects through the telescope the whole night, learn about the night sky and will be exposed to amateur astronomy. The programme will begin with an introductory talk on 'Night Sky and Amateur Astronomy' followed by observation sessions through the night. Interested people can contact Jain College at the V.V. Puram campus.
