## Department of Physics - Ashraga 2011

The Department of Physics, Jain College, V V Puram hosted an Intercollegiate Physics Fest "ASHRAGA" (means Prism in Kannada) on 18<sup>th</sup> August 2011 in the college campus. Ashraga is a quadrennial event which is conceived by the Department Of Physics to popularize the theories of Science. The event helps students to showcase their talents in various areas, be it theoretical and practical. Ashraga Fest was educative as well as entertaining.

"ASHRAGA" is the first of its kind (Physics Fest) organized in the city by the Department of Physics of Jain College, V V Puram.

The event also included: Model making, Symposium, Dumb charades, Collage Making, Crosswords and Puzzles, Photo contest and Quiz.

The above seven events provide a right mix of various aspects of physics. The topics selected were contemporary and helped the participants in understanding the present scenario in the world.
