

## **Pugmark Nature Club - Jayanagar Campus**

The nature club of Jain College, Jayanagar - PUGMARK NATURE CLUB has come forward to create awareness about forests of our country as 2011 is an International Year of Forests.

On Friday 22<sup>nd</sup> July 2011, Pugmark Nature Club has scheduled a programme “**Jainites Green Initiative (JGI)**” to create awareness on reducing carbon footprints on our Mother Earth.

The activities are as scheduled:

1. Forming a human network with the club members with in the college campus  
Timings for Registration: 10:30 - 12:00pm
2. Encouraging students to use bicycle and public transport to reduce carbon dioxide emission.
3. Signature campaign pledging to reduce carbon footprint

### **Objectives of Jainites Green Initiative, Under Auspices of Pugmark Nature Club:**

1. To reduce the carbon footprint
2. To initiate students, teachers and the general public to use bicycle or public transport to reduce green house gases
3. To sensitize the public to care and protect our environment
4. To contribute to a greener planet for the future generations
