## THE JAIN COLLEGE DIFFERENCE

### Inspired Teaching and Learning

The faculty is distinguished by its dedication, enthusiasm and commitment. The faculty is comprised of talented people many with advanced degrees, who possess a deep knowledge of the subjects they teach and have a unique understanding of students and how they learn best.

### Distinguished Facilities

The college is well placed to serve varied needs of students. A well resourced library, ICT centre, conference hall, cafeteria, wi - fi campus are some of the facilities available to students.

### Extracurricular Activities

We offer an integrated learning approach to ensure that students sustain a healthy balance between academic and social development. A vibrant programme of activities is in operation at all of our college campuses. These programmes include sporting activities, clubs and societies, cultural visits and college field trips.

### Academic Review

The academic performance is reviewed regularly. Regular parent-teachers meetings are conducted. Students and parents are invited to these meetings to assess the performance of the student on an individual basis, identify strengths and opportunity for improvement and take appropriate measures in the preparation of the final Board Examination.

### Rewards & Scholarships

Deserving students with financial difficulties, immense potential and talent are identified

and rewarded with scholarships on a regular basis. Sports and extracurricular talent is given tremendous encouragement with sportsmen being awarded scholarships as a result of their outstanding contribution to their respective fields.

### Value Vision

We are driven by the goal of educating and empowering people for which Human Networking Academy (HNA) plays a pivotal role. An institution in itself, HNA is dedicated to inculcate dynamic life sustaining elements in the form of Vishva Chaitanya, Vishva Chaarana and Vishva Spandana in students, staff & parents on a sustained basis.

### Sports

Stemming directly from the vision of overall student development, we provide facilities and encouragement for every sport activity that students find interest in. Jain College has a sports team in Athletics, Badminton, Basketball, Cricket, Hockey, Swimming, Table Tennis, Tennis, Volleyball, Football and Snooker.

## GETTING INVOLVED

To make the most of your student life you can get involved in the many different societies, clubs and associations on campus. Jain College provides you with lots of opportunities to develop your skills.

### The Commerce, Science, Arts & Cultural Forum

These four main forums of the college are a platform where immense opportunities are provided to the students to portray their talents and enhance their creativity.

### Sheratons - The Amateur Astronomy Club

The Sheraton club is the only active amateur astronomy club at the Pre University level in India. It aims to promote and popularize Astronomy as a Science and also as a hobby. The club acts as a base for all amateur astronomy related activities like astro-theory sessions, guest lectures etc and also spreads general awareness about various astronomical events.

### Youth Red Cross

The Youth Red Cross - A unit of Indian Red Cross Society set up by the life science department inculcates the idea & practice of service in today's youth. The activities organised by the YRC imbibe civic responsibility, awareness about personal health & a spirit of service towards mankind.

### Pugmark - The foot print of change

Pugmark was started in the year 2007 by the students and staff of the college to create awareness about various critical issues related to nature.

### National Service Scheme (NSS)

"Not Me But You" the motto of NSS reflects the essence of democratic living and upholds the need for **self-less** service. Jain College encourages students to volunteer and be a part of this social wing. Jain College has the rare distinction of being honoured with the **Best Institution award & Best Programme Officer by the State Government.**

“The constant support of my teachers has helped me to boost up my knowledge about the subject and as well as my passion for achieving my goal.”  
**Shubham Agarwal, Best Science Student Awardee, I PCME**

“At Jain College I got the atmosphere where I could blend well between my studies and other activities.”
