a) Dadabhai Naoroji b) Gopal Krishna Gokale
c) Vinobha Bhave d) Vinodo Bai
5. Urban people are mainly engaged in
a) Primary sector b) service sector
c) Mining d) Agriculture
6. First phase of green revolution was in
a) Mid 1960- Mid 1970 b) 1950 -1960
c) Mid 1970- Mid 1980 d) 1970 -1980
7. Education for all
a) Still not a distant dream b) Still a distant dream
c) Dream only d) None of the above
8. Those who are working in the formal sector enjoy
a) Economic benefit b) Social security benefit
c) Education advantages d) Culture benefit
9. The method of collection of data in which reactions can be watched is
a) Telephone interview b) Mailing questionnaire
c) Personal interview d) E-mail
10. In index number which year price is assumed to be 100
a) Current year b) Base year
c) Selection of price d) None of these

II. Fill in the blanks.

1 × 5 = 5

(renewable, 1995, cost of living, body of the table, 6(ayush))

11. _____ of the table contains actual data.
12. Inflation effects the _____ of common people.
13. WTO was founded in _____.
14. Indian system of medicine includes _____ systems.
15. Forests are _____ resource

III. Match the following.**1 × 5 = 5**

16. A	B
Mailing Questionnaire	a) Positional values
Median	b) Loss of questionnaire
NABARD	c) Air pollution
Industrialisation	d) Institutional source
Education achievement	e) Literacy rate

PART-B**IV. Answer any four of the following question in about four sentences each.****2 × 4 = 8**

17. Mention the two sources of data?
18. Difference between inclusive and exclusive method of classification.
19. What are types of bar diagram?
20. How do you classify model series?
21. Interpret the values of r as 1, -1 and 0.
22. Write the first four steps in developing a project?

V. Answer any five of the following question in about four sentences each.**2 × 5 = 10**

23. List out the important export goods of India before independence. ?
24. Who are the urban poor? Give example?
25. What factors contribute to human capital for mention?
26. Name the two life giving sources of fishing community?
27. What is unemployment according to NSSO?
28. What is the meaning of global burden of diseases?
29. Mention four functions of environment?

PART-C**VI. Answer any three of the following question in about twelve sentences each.****4 × 3 = 12**

30. Scarcity is the root of all economic problems? Explain.
31. Write briefly about the census and NSSO.
32. Write a note on classification of data
33. Draw scatter diagram and interpret

X	1	2	3	4	5	6
Y	2	4	6	8	10	12

34. The yield of rice per acre for 10 districts of a state is as under.

District	A	B	C	D	E	F	G	H	I	J
Rice	23	18	12	22	29	12	24	18	12	15

Calculate mean deviation from median

VII. Answer any four of the following question in about twelve sentences each.**4 × 4 = 16**

35. What do you understand by the drain of India wealth during colonial period?
36. Write a short note on Green revolution?
37. Write a note on WTO?

39. Explain the role of infrastructure in the development of a modern economy?
40. Compose and contract the development of India and china with respect to some salient human development indicators?

PART-D

VIII. Answer any two of the following question in about twenty sentences each. $6 \times 2 = 12$

41. Draw an arithmetic line graph using following data value of import and export of India (in 100 crores)

Year	Exports	Imports
2009-10	8455	13637
2010-11	11370	16835
2011-12	14660	23455
2012-13	16343	26692
2013-14	19050	27154

42. Find median of the following data.

Wages	60-70	50-60	40-50	30-40	20-30
No of Workers	7	21	11	6	5

43. The yield of Sugar-cane per acre for 10 districts of a state is as under:

District	A	B	C	D	E	F	G	H	I	J
Sugar-cane	12	10	15	19	21	16	18	9	25	10

Calculate Standard Deviation and Coefficient Variation.

IX. Answer any two of the following question in about twenty sentences each. $6 \times 2 = 12$

44. Briefly explain the important areas of liberalization.
45. Discuss the following as a sort of human capital formation.
1. Health Infrastructure
 2. Expenditure on migration
46. Discuss the informalisation of Indian workforce.

PART-E

X. Answer any two of the following project oriented questions. $5 \times 2 = 10$

47. Write the chart of poverty line.
48. Write a note on SENSEX?
49. List the factors responsible for land degradation India?
