ABOUT JAIN COLLEGE

Jain College is the flagship institute of the prestigious JGI Group headquartered at Bangalore. JGI Group is a cluster of 85 educational establishments hosting 51,600 students from around the world and over 6,450 staff members engaged at the P-12, undergraduate, and postgraduate levels across 64 campuses and centers of excellence. Jain College pioneered into commerce and management education in the year 1990. It brings in thought leadership with a blend of academic rigor and hands-on applicability to real-world issues. The institution has been conferred Grade A with a CGPA of 3.8 on a scale of 4.0, the highest all India rating given to a college by NAAC. Jain College and Lead Global Management Institute has entered into an MOU to offer this program at Bangalore.

ABOUT BHARATHIDASAN UNIVERSITY

(NAAC – Grade A University)

Bharathidasan University established in February 1982 endeavors to be true to its vision by creating a brave new world of academic innovation for social change. The two-year MBA program offered by Bharathidasan University draws its input from Bharathidasan Institute of Management (BIM), a school of excellence in management studies, which has today emerged as a nationally reputed school of management and is rated among the top 5 B-schools in southern India and among the top 25 B-schools in India including the IIMs. This program is based on the norms and standards prescribed by the AICTE and has the approval of UGC. The experience and expertise of BIM are available for students pursuing MBA program through Centre for Distance Education (CDE). A Tripartite Committee consisting of UGC-DEC-AICTE recognizes

CDE-BDU. The University is accredited with Grade A by NAAC and is a member of the Association of Indian Universities (AIU) and Association of Commonwealth Universities (ACU). The CDE also conducts programs in Dubai, Cambodia, UAE, Andaman, Sri Lanka, and Singapore.

Bharathidasan University offers Master of Business Administration with specialization in Finance / HRM / International Business at Jain College and Industry Partner Lead Global Management Institute for LSCM core domain.

LEAD GLOBAL MANAGEMENT INSTITUTE

Lead Global Management Institute (LGMI), Bangalore, promoted by Sequel Logistics Group and leading industrialists aims to impart world-class education, training, and consultancy in management, specific to emerging and mandatory fields such as L&SCM and Retail Management to students, working executives,

and professionals. LGMI has entered into MOU with BDU to offer this unique MBA program. The main objectives of this program are to fill the gap between academic education and business requirement in both manufacturing and service sectors at the time of entering into the job/business world, creating the desire to excel, urge for better living, aiming for greater achievements in life, building managerial qualities, and enhancing business leadership skills.

SEQUEL LOGISTICS

Sequel Logistics is a supply chain management company specialized in providing comprehensive solutions, services, and products in the "critical logistics" segments. Over the years, Sequel has developed unique capabilities, infrastructure, and the knowledge base needed to manage the supply chain of vulnerable and sensitive products.

Bharathidasan University offers Master of Business Administration with dual specialization in Marketing plus Finance / Human Resource / International Business and domain specialization in LSCM offered by Industry Partner Lead Global Management Institute.

ABOUT THE MBA PROGRAM

Bharathidasan University offers 2 years MBA program through MOU with industry partner LGMI at Jain College, Bangalore. The differentiator in this unique program is the core domain in LSCM module, which is the emerging trend in all aspects of business including the large, medium, SME, and services sectors.

LSCM involves the management of material information and fund flows, seamlessly between and among stages to maximize total supply chain effectiveness and profitability. Today's supply chain reality is consumer driven with

large global networks, increased outsourcing, and increased. Top ten reasons why any organization needs good, relevant, and responsive supply chain are:

- Competitive advantage
- Changes in customer demands and expectations
- Increased environmental focus
- Changes in waste legislation
- Transparency issues
- The acquisition and retention of employees
- The cost of procrastination
- Rising energy prices
- Increase in raw material costs
- Increase in waste and disposable costs

This is the only MBA program in India, wherein students learn LSCM core domain in detail along with specialization in Marketing / Finance / HRM / International Business in addition to General Management Principles and Practices.

PGPM

2-year PGPM is an autonomous program jointly designed by industry partners Sequel Logistics and LGMI. The PGPM program will empower graduate students with a highly rich value-added program that increases the employability potential of candidates in all sectors.

BROAD PROGRAM DESIGN

A rigorous two-year job oriented MBA program having 1600 hours of face-to-face teaching with over 32 subjects on campus

- Six foundation core subjects in general management
- Eight core domain subjects in LSCM
- Seven applied skills core subjects in functional management
- Dual specialization course subjects in Marketing / Finance / HRM / International Business
- Three practice learning through research methodology and industry project work/dissertation
- Eight industry-ready value-added programs

▶ OUR TEACHING APPROACH

Imparting goal directed, business relevant, application driven, problem oriented, and self-directed learning

- The focus will be on facilitating project- and problem-based learning rather than traditional teaching and the strategy is designed to facilitate deep learning
- A blended learning approach to seminar, workshop, symposium, and group consultation
- Tutorial support and group discussions with peers
- Teaching fraternity comprises of subject-matter experts and industry leaders
- The industry project work / dissertation is fully supervised by 20 hours of research methodology workshops prior to its commencement

VALUE-ADDED PROGRAMS*

BUSINESS ENGLISH CERTIFICATE (BEC)

The Business English Certificate (BEC), a University of Cambridge (UK) examination offered in India by British Council is an internationally recognized English language qualification for learners wishing to use English for the purpose of international business.

The BEC levels are:

- BEC Preliminary
- BEC Vantage
- BEC Higher

Advantages

- BEC is a globally recognized qualification
- BEC exam training will improve candidates' communication skills
- BEC will improve candidates' job prospects and add value to their CV

CAMPUS RECRUITMENT LEADERSHIP TRAINING PROGRAM

This program is designed to aid candidates in their preparation for recruitment through campus or outside campus. Students in their final year looking for placement in reputed organizations can use this program to deliver their best in the selection processes of various corporates tied up with our institutions.

Program Contents

- Quantitative ability
- Reasoning ability
- Verbal ability
- Personality development

NSE'S CERTIFICATION IN FINANCIAL MARKETS (NCFM)

NCFM is an online testing and certification program. It tests the practical knowledge and skills required to operate in the financial markets. Tests are conducted in a secure and unbiased manner and certificates are awarded based on qualifying the online test and the merit of the candidate.

NATIONAL INSTITUTE OF SECURITIES MARKETS (NISM)

In pursuance of the announcement made by the finance minister in his Budget Speech in February 2005, Securities and Exchange Board of India (SEBI) established the National Institute of

Securities Markets (NISM) in Mumbai. SEBI, by establishing NISM, has articulated the desire expressed by the Indian government to promote securities market education and research. NISM Series 7: Securities operations and risk management certification
NISM Series 5A: Mutual fund distributors' certification

MICROSOFT OFFICE SPECIALIST

A Microsoft Office Specialist (MOS) certification helps validate proficiency in using Microsoft Office 2010 and meets the demand for the most up-to-date skills on the latest Microsoft technologies. Candidates who pass the certification exam matches the globally recognized performance standards.

Advantages

- Builds confidence to face job interviews
- Increases efficiency in work productivity
- Ability to negotiate higher salaries as a result of high-level computer skills

FACILITIES AND ACCOMMODATION

Library

The library at Jain College provides access to the information needed to support and enhance students' learning at college. In addition to housing a comprehensive national and international print journal collection, the library offers a wealth of online information. Students can work in the library undisturbed along with excellent computer facility. The experienced librarians provide research training, individual consultations, and email reference assistance to help the students make effective use of library resources.

Auditorium and Conference Halls

Jain College has an air-conditioned 300-seater auditorium and 2 mini-conference halls with 150 seats each. These are well equipped with modern acoustics, projectors, and state-of-the-art facilities to conduct corporate events, competitions, CEO talks, guest lectures, student group activities, pre-placements talks, and orientation program for freshers.

High-Tech Classrooms

Jain College encourages instructors to consider ways to incorporate the use of technology throughout the curriculum. Classrooms at Jain College use the "technology in teaching" concept with multimedia equipment, LCD projectors, and screens. The ergonomics and acoustics are excellent and convenient to students.

Cafeteria

The cafeteria is a hub of student activity, social exchange, and youthful energy. Bustling with social life, it is a space where students exchange crucial ideas, pool in effort, and strategize on everyday activities. It serves as a place for diverse interests from brainstorming for competitions to relishing a hot cup of herbal lemon tea with Tulsī during the break time.

Computer Cluster

Jain College fosters an environment in which research and development are integrated into every individual student with the best technology the country can offer. The high-tech computer labs comprises 15 inch TFT monitors, high-configuration PCs, 24X7 internet facilities, Wi-Fi connectivity, and network data storage facilities.

RECRUITERS TESTIMONIAL

It was a great experience interacting with the students and collecting the data for handwriting collection. The students, volunteers, and placement team were very cooperative and we are glad that the event went very successful.

-Vikram, Talent Acquisition, Google

The students are very professional and energetic. We would be more than happy to visit the campus every year.

-Mr. Vinitha Nair, HR Manager, Times Group

Excellent infrastructure and tremendous energy displayed by students, great work done by Jain College.

-Mr. Pradeep Pandey, Associate Director, Risk Consulting – KPMG

Interesting interaction with the students. My acknowledgements to the placement team.

-Mr. Venugopal, HR Head at Myntra

Student quality was remarkable. Thanks to your placement team which helped us to recruit the best students.

-Mr. Walter Gennet, Associate Director at Deloitte

Had excellent experience. Thanks to the placement team for coordinating with us.

-Mr. Prakash, Regional Head at ICICI Securities

Good candidates and very structured process for campus recruitment.

-Mr. S. Prateek., VP at Bajaj Capital

Surprises me that the students are already very well-linked with the corporate world. I admire the hospitality extended by the management

-Mr. Almon Prem, IBM Daksh

All students are very informative. Their level of understanding of the subject matter was also good. The initiatives of the college in management fests, NGO programs, and Internships are highly appreciable.

-Mr. Sanjay S., Zonal Head, Sales Quality assurance at Kotak Mahindra, Old Mutual Life Insurance Ltd.

Lots of enthusiasm, dedicated and hardworking students; was very impressed that most of them are into part-time work and have worked on live projects. Great campus as well

-Ms. Snigdha Banerjee, Asst. Manager at Oberoi Hotels

Good facility and very good student quality; loved the hospitality, overall good.

-Ms. Anjina Robert, Global Campus Hiring Team at Wipro.

Well-organized and very friendly staff.

Students are extremely smart and keep up the flag of this institution flying high.

-Ms. Jyothi Muthappa, VP HR at Wells Fargo

It was a great experience. Felt good to see a college meeting our infrastructure requirement. And the student quality is great too. Hope to be back next year.

-Mr. Anupam Agarwal, Sr. Recruiter at Amazon

Great Hospitality! Liked the students very much. Look forward to visiting next year as well!

-Mr. Manu Gupta, Head – Retail Operations at The Collective and Hackett London

Excellent coordination during the selection process. Students are very bright and are well trained for campus placements.

-Mr. Praveen Voona, Sr. Executive HR at Airbus

STUDENTS' TESTIMONIAL

(BATCH - 2016)

Nithin R

Getting placed in a reputed company is a dream for any student who joins a PG course. All thanks to the excellent faculty lineup and the exposure given to me through classroom presentations and inter-college fests, which helped me to gain more practical knowledge. The efforts of placement team in getting large number of companies on campus gave me the leverage to choose the best job on offer. All of these resulted in me being placed even before my 3rd semester exams.

Prajwal V Kumar

I am very happy with the faculty of Jain College as they have nurtured my personality and helped me in identifying my positive strengths which made me to push harder and go the extra mile. The Placement team supported me in finding my dream job.

Arun M Kakkadath

The Jain College placement team is very supportive and enthusiastic and takes genuine effort to place students in the best possible companies with best salary packages in the market. Thanks to the placement team for helping me to get a good job in a reputed company.

Srijan Kumar

I would really thank Jain College for getting me placed. It has been a wonderful journey here. The faculty members have helped me a lot and motivated me to participate in various fests, which eventually helped me to enhance my skills and abilities.

Santosh R Gowda

In Jain College, you'll get to dig deep into fascinating subjects, tackle advanced concepts and flex your intellectual muscle. The college is very good and almost all the students are placed in top MNCs.

CTC: INR 5.50 LPA

Vineet K

Jain College ensures all-round development of the student; not only in terms of academics but also in terms of the support it renders to nurture individual capabilities that enhance everyday growth in this competitive world. The faculties here helped me realize my true potential. Thank you placement office for providing opportunities to start my career.

CTC: INR 3.50 LPA

Shakthi SG

At Jain College, the vision is to impart quality in education. The college strives to balance academic excellence with co-curricular activities that enhance the overall development of students. The faculty of Jain College are an ideal blend of experience and youth. Jain College plays a pioneering role in the education sector in offering students unique and innovative programs. Placement department works hard in helping the students to be placed in their dream companies.

CTC: INR 5.50 LPA

Priyanka Thakur Kharwal

InfoEdge (99 acres.com) is a reputed company that will help me to grow further in life. This is going to be a great beginning for my career. Jain College's mock GDs, personal interviews, and aptitude training have helped me a lot. Special thanks to placement department and management of Jain College. This wouldn't have been possible without them.

CTC: INR 4.50 LPA

Vijayananda D B

I would like to thank Jain College for fine-tuning me from a student to senior relationship manager of ICICI Securities. Jain College has helped me a lot in gaining knowledge about academics; it has also helped me in gaining practical knowledge like how to face the competitive world.

CTC: INR 6.50 LPA

Tejashwini C

Best ever placement team, they work really hard in getting the students the right career. Their supportive and encouraging attitude helped me getting into the right organization and with the same field as I dreamt of.
