

Jain College - Value Added Programs (VAP) Committee

The Value Added Programs (VAP) Committee at Jain College is formed to enhance the educational experience of students by offering additional skill-building, knowledge enhancement, and certification programs that complement academic curricula. These programs aim to equip students with industry-relevant skills, increase employability, and foster holistic development.

1. Objectives

- To identify and design value-added programs that enhance students' employability and skill sets.
- To integrate industry-relevant certification programs alongside academic courses.
- To encourage students to participate in programs that improve both technical and soft skills.
- To collaborate with external organizations, professionals, and academic bodies to provide quality learning experiences.
- To track and assess the effectiveness of value-added programs and their impact on student development.

2. Value Added Programs Committee Members

Name	Designation	Role in Committee
Dr. Naveen Kumar C.M	Principal	Chairperson
Ms.Shobitha Kumari	Faculty, Dept. of Commerce	Coordinator
Ms. Suchetana A	Faculty, Dept. of Management	Member
Mr. Swamy	Assistant	Member
Mr. Mohith S	Student Representative (UG)	Member
Ms. Divya G M	Student Representative (PG)	Member

3. Roles and Responsibilities

- Identify emerging trends and skill requirements from the industry to design appropriate value-added programs.
- Collaborate with industry experts, professionals, and trainers to offer specialized training programs.
- Integrate soft skill development programs such as communication, leadership, and teamwork into the curriculum.
