## ERP (Enterprise Resource Planning) Policy Document

Enterprise Resource Planning (ERP) is business process management software that allows Jain College to use a system of integrated applications to manage and automate all the activities related to Academic, Administrative, and other college tasks. M/S GSEAS Technologies LLP, Bangalore, has provided these services since 2016.

### Implementation of ERP in Academic Process

The Institution maintains ERP data for effective resource planning. A service provider has been identified since 2016 for implementation and support.

1. **Full Automation in Teaching-Learning Process (Staff & Student):**
   - Pedagogical Syllabus, lesson plans, teaching hours, methods, learning resources
   - Student Attendance (daily, weekly, master attendance)
   - Student support (internal marks, email, online fee payment, electives, feedback)
   - Staff support (personal/official portal, attendance, salary, leave, payroll, appraisal)
   - Administrative processes (admission, applications, student database, certificates)
   - Finance (accounting, reports, payroll, online fee, fund mobilization via ERP)
2. **Full Automation of Library Services:**
   - Student/staff logins, book issue/return, reports, maintenance, data retrieval
3. **Full Automation of Office and Administration:**
   - Reports, payroll, inventory, fee, exams, HR, hostel, academic, admissions
4. **Full Automation of Finance Section:**
   - Usage of Tally and College Management Information Systems for accounting
